I don't get sick anymore

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

I know that some cayenne peppers are hotter than others. I guess that's the reason some bottles are more potent than others. I buy these for my mother, who's elderly and doing all she can to recover her health and extend her life. She says that some bottles have given her burning stools (which she feels is a good thing) and some have no such effect. Also, some capsules are a brighter red and some look more dull. I don't know if this is due to the potency of the peppers or the age of the product.

I use this cayenne with cinnamon after every meal, I believe it helps with weight loss and blood sugar. I have been using it for 6 months and have noticed a big difference in body fat. Love it

I read that Cayenne helps with circulation, and can help keep your fingers and toes warm in the winter. I have to eat something right after I take it, or it burns, but it does warm my insides.

I bought this item because it has a basic ph. I wanted to try to counteract my acidic diet. The product was delivered promptly and is high quality.

I first bought these when I found out about the weight loss benefits, and I absolutely love them! I take 2-3 pills daily with a meal, and I have noticed a slight difference in my weight. These aren't miracle pills, however they will give you a little boost toward your weight loss goals. Plus, cayenne has so many other great benefits! These were also very inexpensive which I love :) And great quality!

I know for a FACT that cayenne pepper pills lowers my blood sugar! For years I have had high blood sugar, I test myself and it was always high. I'd wake up from night of fasting and my level would be 140, after taking cayenne pepper, it would be LOW, like 70! I know for me that cayenne pepper pills has lowered and regulates my blood sugar levels the natural way! I no longer take metformin anymore !
